

Earning a Degree

Honors

For **honors within a major**, students should refer to that department's program description for the eligibility requirements. Students are awarded **general honors** at the time of graduation if their overall GPA is 3.25 or above. For the purposes of assessing eligibility for honors, major GPA and overall GPA are calculated based on courses taken in all quarters except for the quarter in which the student plans to graduate. For information on course work that does not contribute to the GPA, see the Grades section of Grading and Academic Status in this catalog.

Petitions

Any student who wishes to appeal for special consideration under a College regulation or an interpretation thereof may file a petition (<http://college.uchicago.edu/sites/college.uchicago.edu/files/GeneralPetition.pdf>) with the Dean of Students in the College. Students are encouraged to speak to their adviser for more information.
