Program of Study

The program for the BA degree in Germanic Studies is intended to provide students with a wide ranging and highly personalized introduction to the language, literature, and culture of German-speaking countries and to various methods of approaching and examining these areas. It is designed to be complemented by other areas of study (e.g., anthropology, art history, comparative literature, economics, film studies, history, philosophy, political science, sociology).

Students in other fields of study may also complete a minor in Germanic Studies. Information follows the description of the major.

Program Requirements

Students majoring in Germanic Studies typically register for six German language courses at the second-year level and above, plus six courses in German literature and culture, including three literature or culture courses taken in German, and GRMN 29900 BA Paper. With prior approval of the director of undergraduate studies, students may count up to three relevant German-oriented courses from other departments in the humanities or social sciences toward the requirements of the major in Germanic Studies. Students must meet with the director of undergraduate studies to discuss a plan of study as soon as they declare their major and no later than the end of Spring Quarter of their third year. Students must have their programs approved by the director of undergraduate studies before the end of their third year.

BA Paper

The BA paper typically is a research paper of a minimum of twenty-five pages. While the paper may be written in either English or German, it must include a bibliography that makes ample use of German-language sources. Students must submit a proposal for their BA paper to their faculty adviser by the beginning of the eighth week of Autumn Quarter in their senior year. A first draft of the paper is due on the first day of Spring Quarter, and the completed paper must be submitted by the beginning of the sixth week of Spring Quarter.

Germanic Studies will accept a paper or project used to meet the BA requirement in another major, under the condition that original German sources are used. Students should consult with both chairs by the earliest BA proposal deadline (or by the end of their third year, when neither program publishes a deadline). A consent form, to be signed by both chairs, is available from the College adviser. It must be completed and returned to the College adviser by the end of Autumn Quarter of the student’s year of graduation.

Grading

Students who are majoring in Germanic Studies must receive a quality grade in all courses taken to meet requirements in the major. Nonmajors have the option of taking courses for P/F grading (except for language courses, which must be taken for quality grades).
Honors

Honors are reserved for students who achieve overall excellence in grades for courses in the College and within the major, as well as complete a BA paper that shows proof of original research or criticism. Students with an overall GPA of at least 3.0 for College work and a GPA of at least 3.5 in classes within the major, and whose GRMN 29900 BA Paper is judged superior by two readers, will be recommended to the Master of the Humanities Collegiate Division for honors.

Study Abroad

As early in their course of study as possible, interested students are encouraged to take advantage of one of the study abroad options that are available in the College. The five options are:

1. A program in Vienna, which is offered each Autumn Quarter, includes three courses of European Civilization, as well as German language instruction on several levels.
2. The College also co-sponsors, with the Berlin Consortium for German Studies, a yearlong program at the Freie Universität Berlin. Students register for regular classes at the Freie Universität or at other Berlin universities. To be eligible, students must have completed the second year of German language courses or an equivalent, and should have completed all general education requirements.
3. Third-year majors can apply for a Romberg Summer Research Grant to do preparatory work for the BA paper.
4. Students who wish to do a summer study abroad program can apply for a Foreign Language Acquisition Grant (FLAG) that is administered by the College and provides support for a minimum of eight weeks of study at a recognized summer program abroad. Students must have completed GRMN 10300 Elementary German for Beginners III or its equivalent to be eligible for FLAG support for the study of German. For more information, visit study-abroad.uchicago.edu/sitg.

More than half of the requirements for the major must be met by registering for courses bearing University of Chicago course numbers.

Proficiency Certificate

It is recommended that all students majoring in Germanic Studies complete the College's Advanced Language Proficiency Certificate in German as documentation of advanced functional ability in reading, writing, listening to, and speaking German. Students are eligible to take the examinations that result in the awarding of this certificate after they have completed courses beyond the second year of language study and subsequently have spent a minimum of one quarter abroad in an approved program; FLAG students are also eligible. For more information, visit college.uchicago.edu/academics/advanced-language-proficiency.

Minor Program in Germanic Studies

Students in other fields of study may complete a minor in Germanic Studies. The minor in Germanic Studies requires a total of six courses in addition to the second-year language sequence (GRMN 20100 Deutsche Märchen / GRMN 20200 Deutsch-Amerikanische Themen / GRMN 20300 Kurzprosa aus dem 20. Jahrhundert) (or credit for the equivalent as determined by petition). These six courses usually include the third-year sequence and three literature/culture courses. Two of the literature/culture courses must be taken in German. Note that credit toward the minor for courses taken abroad must be determined in consultation with the director of undergraduate studies.

Students who elect the minor program in Germanic Studies must meet with the director of undergraduate studies before the end of Spring Quarter of their third year to declare their intention to complete the minor and must submit a form obtained from their College adviser. Students choose courses in consultation with the director of undergraduate studies. The director's approval for the minor program should be submitted to the student's College adviser by the deadline above on the form.

Courses in the minor may not be double counted with the student's major(s) or with other minors and may not be counted toward general education requirements. Courses in the minor must be taken for quality grades, and more than half of the requirements for the minor must be met by registering for courses bearing University of Chicago course numbers.

The following group of courses would comprise a minor in Germanic Studies. Other programs may be designed in consultation with the director of undergraduate studies. Minor program requirements are subject to revision.

minor. Three additional courses are required to complete the minor. Students choose these courses in consultation with the
director of undergraduate studies. These courses may include:
