

# JOINT BS/MS IN CHEMISTRY

---

Students who achieve advanced academic standing through their performance on placement examinations or accreditation examinations may consider the formulation of a four-year degree program that leads to the concurrent award of joint BS and MS degrees in Chemistry (<https://chemistry.uchicago.edu/joint-bsms-degree-program/>). For more information, consult Vera Dragisich at [vdragisi@uchicago.edu](mailto:vdragisi@uchicago.edu) or the Chemistry Department at [chem-dus@lists.uchicago.edu](mailto:chem-dus@lists.uchicago.edu).
