
The CCSA also provides guidance for students interested in undergraduate research (http://ccsa.uchicago.edu/undergraduate-research-uchicago), graduate school, or other postgraduate funding opportunities. CCSA staff members provide general support to students by identifying relevant opportunities and assisting in strategically planning for those opportunities, closely mentor students through rigorous application processes, and facilitate campus endorsement procedures when relevant.

Undergraduates can access a searchable database of funding opportunities—which also includes UChicago funding—and guidance about nationally competitive opportunities and undergraduate research on the CCSA website (http://ccsa.uchicago.edu). They are also encouraged to sign up for a weekly listserv (https://app.e2ma.net/app2/audience/signup/1809156/1768427) to stay up to date about opportunities, deadlines, and relevant information sessions. Individual advising appointments are strongly recommended for any student interested in applying to national scholarships, fellowships, or postgraduate opportunities and can be made through Appointment Manager via the CCSA website (http://ccsa.uchicago.edu/contact-us).
